## **Table of Contents**

Introduction.....	1
Purpose of this Land Management Plan .....	1
Plan Components .....	2

---

Minerals and Geology.....	72
Heritage Resources .....	73
Developed and Dispersed Recreation .....	73
Designated Wilderness, Recommended Wilderness, and Wilderness Study Areas .	74
Access and Travel Management .....	75
Partnerships.....	76
American Indian Rights and Interests.....	76
Objectives Component.....	77
Soils, Watersheds, and Aquatic Ecosystems.....	77
Vegetative Composition, Size Class, and Structure.....	78
Wildlife and Plant Species Diversity .....	78
Forest Products.....	79
National Forest System Lands .....	79
Livestock Grazing.....	80
Minerals and Geology.....	80
Heritage Resources .....	80
Developed and Dispersed Recreation .....	80
Scenery.....	81
Designated Wilderness.....	81
Access and Travel Management .....	81
American Indian Rights and Interests.....	82
Suitability of Areas Component.....	83
General Suitability—Forest-Wide .....	83
General Suitability—by Management Areas .....	87
Special Areas Component.....	107
Chapter 3: Design Criteria .....	111
Guidelines Component.....	111
Soils, Watersheds, and Aquatic Ecosystems.....	111
Vegetative Composition, Size Class, and Structure.....	112
Wildlife and Plant Species Diversity .....	113
Forest Products.....	115
National Forest System Lands .....	115
Livestock Grazing.....	116
Heritage Resources .....	116
Developed and Dispersed Recreation .....	117
Wilderness Dams (MA 1.1) .....	117
Access and Travel Management .....	118
Other Design Criteria.....	118
Glossary .....	119

---

## Figures

Figure 1: Vicinity Map of the Bitterroot National Forest. ....	11
Figure 2: Timber Volume Sold on the Bitterroot National Forest. ....	26
Figure 3: Vicinity Map of the Bitterroot National Forest Geographic Areas. ....	42
Figure 4: Map of the Bitterroot Geographic Area. ....	44
Figure 5: Map of the Sapphire Geographic Area. ....	48
Figure 6: Map of the East Fork Geographic Area. ....	52
Figure 7: Map of the West Fork Geographic Area. ....	56
Figure 8: Map of the Selway Geographic Area. ....	60
Figure 9: Timber Suitability Map. ....	86
Figure 10: Pie chart showing management area distribution across the Forest. ....	88

## Tables

Table 1: Strategic planning framework. ....	9
Table 2: Species composition desired condition. ....	20
Table 3: Size class desired condition. ....	21
Table 4: Designated wilderness on the Bitterroot National Forest. ....	35
Table 5: Species listed under the Endangered Species Act. ....	69
Table 6: Timber suitability classification. ....	85
Table 7: Management area designations, acres, and percent of the Forest. ....	88
Table 8: Potential classification of eligible wild, scenic and recreational rivers. ....	93
Table 9: Special Areas for the Bitterroot National Forest. ....	108
Table 10: Guidelines for downed woody material and snags in tons per acre. ....	113
Table 11: Guidelines for number of snags per acre by dominant vegetation type. ....	113
Table 12: Animal species of interest with guidelines specific to a group or species. ....	114
